A Look Back at September

September has brought many wonderful moments to Loudoun Nursing & Rehab! From celebrations and activities to connecting with one another, our residents made plenty of memories worth looking back on. We were also honored to welcome the mayor for a special visit, making September even more memorable for our residents and staff. As we welcome October and the beginning of fall, we look forward to all the new, festive memories October will bring!

Remember When?

Last month, we welcomed MadMelodies for a special musical visit. The group shared how music connects with the brain and can bring back memories, emotions and familiar feelings. Residents also had the opportunity to learn about some of the instruments they brought along and hear them in action. It was a wonderful afternoon of music, learning and connection!

A Day of Cars & Memories

Our September Car Show brought residents, families, staff and members of the community together for a fun day filled with beautiful cars. Residents enjoyed admiring the vehicles, being outdoors and sharing memories of cars from years past. Thank you to everyone who joined and helped make the day special!
